**CARDP Partnership
Opportunities & Benefits**

CANADIAN ACADEMY OF RESTORATIVE
DENTISTRY AND PROSTHODONTICS

The Canadian Academy of Restorative Dentistry and Prosthodontics (CARDP) scientific meeting will take place **August 21 – 23, 2025** at the **Shangri-La Hotel, Toronto, Ontario.**

We cannot do it alone—we need your help!

The CARDP scientific meeting is the flagship event of the Academy, bringing together more than 150 of Canada's most accomplished dentists, dental faculty, students and other dental health practitioners. Together, we will learn from highly qualified researchers and leading-edge clinicians; share experiences and best practices in our robust program of social events; and preview products, services and technologies.

CARDP members are not only opinion leaders, but also mentors, critical thinkers and stakeholders who share a passion to promote and improve the dental health of Canadians through expanding the knowledge and skills of our members and guests. This meeting is an opportunity to magnify your reach by networking with the most influential dentists in Canada.

CARDP offers the highest level of continuing education in dentistry, as an accredited ADA CERP provider of continuing education. As important, the CARDP Scientific Meeting and Conference will recognize diversity and will be inclusive of all. The CARDP Scientific Meeting and Conference offers an exclusive and ideal venue for organizations and companies in the sector to hear the latest scientific advances in dental care; contribute to the dialogue; showcase technologies; establish valuable collaborations; promote latest products and services and—most importantly —demonstrate an investment in the importance of the highest quality dental care for all Canadians.

We have outlined the different partnership opportunities below. We hope you see this as the perfect chance to promote your business/organization through supporting the country's most innovative and influential dentists at the CARDP Scientific Meeting and Conference.

TRUE BELIEVER

The sky is the limit!

You are a passionate True Believer in the importance of excellence in dentistry. The sky is the limit for your involvement. You know the work of CARDP offers an exclusive forum for dentist and dental care professionals to share ideas, experiences, and best practices; learn from subject matter experts; and preview the latest technology, products, and services offered in the sector. You are willing and able to make a significant financial commitment to ensure the success of the CARDP Annual Scientific Meeting. Your vision matches ours. You are keen to talk about how we can customize a relationship that meets your corporate, and philanthropic interests. The benefits of the True Believer sponsorship package are not included in the summary table and will be tailored to specific needs.
